- Technology and evolution of non-banking business financing products.

The purpose of the Call for Papers is to encourage the submission of works - of a critical or empirical nature and not simply of a descriptive nature - that aspire to be the subject of presentation and discussion at the Conference.

The deadlines are as follows:

- by 31 July 2019: submission of the abstract as an attachment to an email (to aedbf.segreteria@gmail.com) in order to submit it to a peer review; the abstract must be at least 3000 characters long and contain a brief description of the subject of the paper and the issues that the author intends to address;
- by 10 September 2019: communication of admission to the AEDBF Annual Conference;
- by 20 October 2019: sending the complete paper by the same means and to the same address.

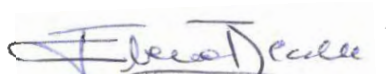

For the purposes of admission, works in both Italian and English languages will be considered.

In the case of contributions involving more than one author, the identification of a corresponding author is required to identify the author in charge of the submission of abstracts and papers. Any communication from AEDBF (acceptance, rejection of the paper, etc.) will be addressed to such author only.

In the hope of a wide and widespread response to our Call, we extend to all our warmest greetings and best wishes for a good job.

Milan, 10 April 2019.

President
